

Reverse Stockinette Neck Warmer

Marti Manson

Materials: Size 7 circular needles, or size needed to achieve gauge.

Yarn: Caron Simply Soft yarn approximately 2.5 ounces (approximately 132 yd) #4 weight yarn

Gauge: 4 st (stitches) per inch

Pattern:

Cast on 108 st.

Join, being careful not to twist the yarn. K2, yo (yarn over), p2tog, p14

Repeat 5 more times. This makes 6 pattern panels.

Repeat the pattern above until the neck warmer measures 7 – 8 inches.

Bind off in pattern making sure to purl the yo stitch from the previous row.

Block the neck warmer by pulling gently on the purl side of the yarn over to show the “hole”. If you do not like the way the bottom of the neck warmer rolls, you could begin with a couple of rows of seed stitch, and then begin the pattern.
