

Crocheted Cowl

Wear as a scarf, a hat or around your shoulders

Pam Greswolde

This makes up very quick and easy. It can be worn as a scarf or pulled up over the head if you need a hat.

Materials:

Approx. 1 1/2 skeins medium weight yarn (I used Bernat Mosaic)

J hook

Marker

Instructions:

Chain 70, join with a sl st to first ch, place marker. Be very careful not to twist. Chain 1 but do not turn.

Check the circle to ensure it fits comfortably over your head as a hat and around your neck as a scarf. Gauge is not important as varying sizes are great. To make larger add an even number of chains.

Round 1: Hdc around, join with sl st to chain, ch 1.

Round 2 - 23: Hdc around, join with sl st to chain, ch 1.

Round 24: Hdc around, join with sl st to chain. Fasten off and weave in end.
