

Side Wheelchair Totes

Tote Body

One piece of fabric cut 10" x 20". Finished tote is 10" x 10" on the fold.

1. **Top Seam** – with wrong side of fabric facing you, fold down the top $\frac{1}{4}$ " and sew down. Fold down another $\frac{1}{4}$ " and sew down. Repeat for the other side. Set aside.

Pocket (Optional)

2. **Top seam** – with wrong side of fabric facing you, fold down $\frac{1}{4}$ " and sew down. Fold down another $\frac{1}{4}$ " and sew that down.

3. Open the tote body and with right side of fabric facing you.

4. Put the pocket with right sides of fabric facing you on top of the body of the tote. Fold down the pocket and sew $\frac{1}{4}$ " seam. Fold pocket back up.

5. Fold body of tote matching the top seams. Sew both sides of the tote with the wrong side facing you. This will sew the sides of the pocket to the tote. Cut any excess fabric from the pocket to $\frac{1}{4}$ ". Turn the tote right side out.

Straps

The straps are 16" long folded in half. Sew the handles on to both side seams.
